Working Collaboratively with Community Partners

VCU ASPIRE students turn social awareness into civic action and are immersed in an environment of diverse individuals working collaboratively with community partners, sharing knowledge and insights through sustained, hands-on projects.

Gaining Skills to Empower You

VCU ASPIRE students develop the advanced relationship-building, critical thinking, and leadership skills that will empower them through college, career, and life.

Living in an Inclusive Learning Environment

VCU ASPIRE students live in the West Grace South Residence Hall for two years. West Grace South Residence Hall is an inclusive living-learning environment, featuring fully furnished apartments, study spaces, social lounges, classrooms, and dedicated outdoor space.

For more information or to apply, visit aspire.vcu.edu or drop by the ASPIRE office located at 835 West Grace Street.
